

## **Weekly Activity and Progress Report – CS 440 Group 1 for Week 13**

Group Members: Diego Bravo, Nicholas Filipov, Jose Bolanos, Alejandro Bravo

### **Weekly In-Person Review Meeting**

- When: 11/20/2024
- Where: UIC Library
- Missing ( why ) : None
- Late ( why ) : None

### **Recent Progress**

- Diego Bravo: Presented final development project presentation. Converted notification storage system to remote database and slightly tweaked its UI.
- Nicholas Filipov: Presented final presentation, made UI modifications to multiple pages to improve user experiences.
- Jose Bolanos: present with my team the development project. Finished setting up the spending page to firebase.
- Alejandro Bravo: attended weekly meeting, presented final presentation for development project, implemented dark mode, and peer review other groups presentations

### **Current Action Items ( Work In Progress )**

- Diego Bravo: Complete design section of the development project. Improve notification screen UI, pop ups, and implement notification delete feature.
- Nicholas Filipov: Finish final development report and summary, finalize all changes for UI and the rest of the functionality for presentation. Finish last part of development project.
- Jose Bolanos: meet with team and make sure that our program is fully functional and polish it up. Also keep working on the development project pdf.
- Alejandro Bravo: finish final report for development project, do 2 page summary, polish UI to prepare for coding presentation, and attend weekly meeting
