

Weekly Activity and Progress Report – CS 440 Group 1 for Week 4

Group Members: Diego Bravo, Nicholas Filipov, Jose Bolanos, Alejandro Bravo

Weekly In-Person Review Meeting

- When: 9/18/2024
- Where: UIC Library
- Missing (why) : None
- Late (why) : None

Recent Progress

- Diego Bravo: Helped groupmates set up Git repository environment with Android Studio and improved the Welcome Screen UI by adding necessary UI elements. Assigned screens for each groupmate to focus on.
- Nicholas Filipov: Began working on presentation project, and set up coding environment on android studio with my group. Began creating the budget screen and modifying the needed files to display a pie chart with filler values for the UI page to display one of the key components of the app.
- Jose Bolanos: Setup android studio on my device and learned the basics of the Kotlin. Worked on designing and implementing the UI page to create a new account for users. Additionally, I linked that page to the home page and the main menu.
- Alejandro Bravo: Created the user info UI which allows the user to change their information at any time. Programmed the save button so it moves to the budget page. Met at library to work on weekly progress report.

Current Action Items (Work In Progress)

- Diego Bravo: Start development project presentation and description. Help add functionality and features to the coding project budgeting screen and account linking.
- Nicholas Filipov: Begin working on a payment information screen, as well as a way to save new peoples information that is coming in from the log in screens to be able to save it in a database/csv like file to be able to get and save information when needed to be displayed or calculated.
- Jose Bolanos: Start development of the written report for the other project by consulting team members and agreeing on what we will work on. Additionally, working on adding the UI to link money accounts to our project.
- Alejandro Bravo: Populate the user information page when users are made and be able to actually change their information at any time. Attend weekly meeting at the library.
