Weekly Activity and Progress Report – CS 440 Group 1 for Week 12

Group Members: Diego Bravo, Nicholas Filipov, Jose Bolanos, Alejandro Bravo

Weekly In-Person Review Meeting

- When: 11/13/2024
- Where: UIC Library
- Missing (why) : None
- Late (why) : None

Recent Progress

- Diego Bravo: Prepared slides for development project final presentation. Set up Jira sprint and added stories. Started transitioning notification storage to database instead of local.
- Nicholas Filipov: Worked on the development project final presentation as well as the coding projects UI to improve its look. Began removing certain repetition in the code.
- Jose Bolanos: helped prepare for our presentation. Adittionally started connecting the user spending page to firebase but did not finish.
- Alejandro Bravo: Worked on development final presentation, implemented dark mode, and fixed issue with password. Attended weekly meetings in the library. Added issues in Jira.

Current Action Items (Work In Progress)

- Diego Bravo: Finish up database transition for notifications. Pretty up the screen UI.
- Nicholas Filipov: Finish organizing different parts of the code, continue working on the UI and keep working on application with Firebase reading and writing.
- Jose Bolanos: help setting up firebase completly on our project and present with my group. Also keep heling make the UI look better.
- Alejandro Bravo: Present final presentation, peer review other groups, polish UI, add images in app, and attend weekly meeting in library.
